46	15	61	168	14	Nil	The estimates for ordinary repairs to the building were included in the scheme estimates and worked out. Hence the expenditure actually incurred on this account during the past 10 years is not known and so the usual ~~ARx~~ 1½ o/o has been taken in the data statement. Again only one estimate for special repairs was sanctioned during the last 10 years and that in 15-16 (Est. for Rs.155/- C.R.No.147 of 15-16). The Expenditure on this estimate was only Rs.118-12-0. The average annual expenditure works out to Rs.12/- nearly. But in the data statement provision has been made ~~out~~ at the usual rate of ½ o/o. As there is no suitable building available at Ramachandrapuram for the use of the Sub Divisional Officer, Southern and as the construction of the quarters has been held in abeyance (vide C.E.'s Memo 6371-C., dated 16-10-17), the Inspection Bangalow at Jagannatha~~pxxxx~~giri is proposed to be let out with the approval of the Collector on the usual rate of rent admissible for residential buildings as it is unsuitable to levy the daily rate of rent admissible for Inspection Bangalows.
